## **BIOGRAPHY**

**BOOK - RICE COUNTY FAMILIES. PUB. 1981** Evert. Six Generations of Rice County Residents, by Lorraine Andersen Olson (4th). Mr. and Mrs. John Evert emigrated from Germany during the 1859-1862 period, to section 18, Forest Township. They lived as tenants until purchasing the quarter section on September 1874. Forty acres were sold to Peter Gustafson in 1884. An interesting sidelight on this farm is that the first U.S. patent was granted to an Agnes Martin. The Evert family owned this farm until John Jr.'s death in 1961. To this union were born: Henrietta (1864), Charles, Louise and John (1877). Following the birth of John, Mrs. Evert died from child-bed fever. Henrietta then assumed the task of caring for the younger children. This she did until marrying John Schulz of Watertown, WI. After a few years farming at Wells, MN, John and "Yettie" bought a farm in section 27, Forest Township. Their family included John, Louise (Schlemmer), Emma (Andersen), Frank, Martha (Hanna), Frances (LaPierre), Albert, Henry and Minnie (Petersmeyer). In May 1918, Charles Andersen, eldest son of Nels Peter, and Eugenia Rosselot Andersen, and Emma Schulz began farming on Grampa Andersen's farm on the north side of Fox Lake, sections 26 and 27, Forest Township, purchasing it in 1932. There were 3 daughters: Lorraine (Olson), Elinor (Meyer), and Marjorie (Moe). Fred Olson, son of Anton and Tomine Wasland Olson, and Lorraine Andersne were married on May 26, 1944. They have resided on the Olson home farm in section 8, Walcott, since that time. There are 6 children: Harvey (Minneapolis); Linda (Paul Jennings), Kristina and Karen Jennings of St. Louis Park; Alan (Faribault); Mark (Walcott); Wayne (Julie Diedrick), Walcott; Faith (Steve Lund) of Faribault. Steve and Faith have a daughter, Kari. Dairying has been a lifetime interest to Fred Olson—beginning with producing grade A milk in 1921; then to registered Holsteins in 1938. Son, Mark, is continuing this enterprise under the Olstar prefix on the home farm. Thus we trace 6 generations of one family's ties to Rice County, MN.
